**ENNE** *Enneagramm*

**T**he enneagram is a symbol of human beings. It is a nine-pointed star, and each point represents a different aspect of the human psyche. The points are arranged in a circle, and each point is connected to two other points, forming a continuous line. The points are numbered 1 through 9, and each number represents a different personality type. The enneagram is a complex symbol, and it is often used in psychology and spirituality to help people understand themselves and others better.

...the enneagram is a symbol of human beings. It is a nine-pointed star, and each point represents a different aspect of the human psyche. The points are arranged in a circle, and each point is connected to two other points, forming a continuous line. The points are numbered 1 through 9, and each number represents a different personality type. The enneagram is a complex symbol, and it is often used in psychology and spirituality to help people understand themselves and others better.
